SECURITY MATTER - G

DATE: July 3, 1947

On July 1, 1947, Mr. EUGENE BLOCK who is in charge of the Jewish Survey and B'nai B'rith community office in San Francisco, Room 706, 110 Sutter Street, advised Assistant Special Agent in Charge Harry C. Van Pelt that the above captioned individual had been arrested in Minneapolis by the FBI and is now a student at the University of California where he is engaged in Nazi activities.

Special Agent [redacted] called upon Mr. BLOCK, who furnished the details in the presence of his two investigators BAMBERGER and RABBLI. It appears this matter was called to the attention of their office by a San Francisco tailor L. RIZNIK whose firm name is L. RIZNIK AND SON, 171 Grove Street. Mr. RIZNIK reported on June 2, 1947, an individual appeared at his store and wished to order uniforms which he described would be similar to those worn by the Nazis. At the time, however, he wanted only one jacket which he desired to be made exactly in the style of the Nazi handbook. This handbook he had in his possession and it was noted to be the Organisationsbuch der Nationale Deutsche Arbeiterpartei. Mr. RIZNIK noted that this book had stamped on the inside of the cover the following: "Property of the DeNazification Board 111, Room 213, T4, R.C. Peterson, Second Branch, Second Military Department, BN, Second European Civil Affairs Division." NELSON told RIZNIK he had obtained this book from an Army friend. In ordering the jacket he stated he desired no epaulettes be placed on the shoulders. He also left several sketches probably made by himself of what he desired. He requested the jacket be made of gray cloth and it was noted it was similar to that worn by the Oberscharfuehrer of the Nazi party. He was told the price would be \$30 on deposit and the making would require some time. NELSON in making a deposit produced a \$100 bill, and indicated he thought he might want six uniforms later of the same type for members of a club he was forming. He gave his residence address as 171 Bryant Street, Palo Alto, California. The jacket was promised for him in ninety days.

Mr. RIZNIK gave the following description of NELSON:

Age: 23 years
Born: 5'7"
Build: Slender
Hair: Reddish blond
Complexion: Very light
Peculiarities: Wears gold rimmed glasses
Languages: Speaks German
Is of the Nordic type

Re: MAYNARD O. NELSON

Mrs. Nelson
See card
Mr. BLOCK stated in order to ascertain whether this matter was worthy of reporting he had one of his investigators check on NELSON at Palo Alto. He furnished this office with a copy of the report. This information indicated that NELSON was living at the home of Mrs. FLORENCE PROVOST, a widow who has several students from Stanford University rooming at her house. NELSON had been there only about ten days and claimed to have been formerly in the service and also quite recently a student at the University of Minnesota. He was in Palo Alto attempting to enter the law school at Stanford. He also told her that he is a Phi Beta Kappa; that his father is Nels Nelson and resides in Minneapolis; Mrs. PROVOST described him as a very quiet, well behaved young man, and not a drinker. He was sent to her by the Veterans Housing Program for students. He claimed to have done much work with radio and radar but she could not state in which branch of the service he served. The investigator checked further at the Registrar's Office in Stanford where it was determined he had been refused entry as a student. The reason was not given but it was indicated it was probably due to overcrowded conditions. His parents' names appeared on his application for registration as NELS and INGRID NELSON, 4020 43rd Avenue, Minneapolis, Minnesota. He attended the University of Minnesota from April, 1946 to April, 1947. Prior to that he was in the University of Iowa at Iowa City under Army Service Training program. He served in the Armed Forces from 1942 to 1946; his birth place was given as Minneapolis, Minnesota.

Mr. BLOCK next produced a copy of an article taken from the Minneapolis STAR, April 24, 1947. This article described the arrest of a twenty three year old man the previous Wednesday as the brains of the so-called Democratic Nationalist Party. This man was listed as MAYNARD NELSON and it was indicated the FBI was interested in the case.

Upon a further interview by B'nai B'rith investigator, Mr. RIZNIK indicated NELSON had come in about a few days before June 27, 1947 and stated upon failing to successfully enter Stanford University he had moved to Berkeley, California, where he lives at 2423 Haste Street, telephone ASHbury 3776. However, he told Mr. RIZNIK he did not wish to be telephoned there. He stated he was trying to get into the school band and believed he would be able to enter summer school.

Mr. BLOCK advised that recently he had received the bulletin of the Anti-Defamation League of B'nai B'rith, for June, 1947, which included an article with the caption "Minneapolis Student Seized". This article indicated after police were mystified for months by his Nazi like posters and placards which appeared regularly on the University of Minnesota Campus, a 23 year old Minneapolis student MAYNARD NELSEN had been arrested and placed under \$1,000 bond under breach of peace charge. The article continued that NELSON signed a three page statement admitting he is the "troop leader" of the so-called Democratic Nationalist Party in Minneapolis. In his house they had uncovered a small arsenal, plus many copies of Anti-Semitic literature which indicated the following up of the Nazi philosophy. Among his effects were two revolvers, a black-jack, books on the making of revolutions and a polar map headed "Our World War III". The article further stated that the student had admitted sending fictitiously signed letters to President Truman, General Eisenhower, J. Edgar Hoover, Mayor

Letter to Director
Re: MAYNARD O. NELSON

July 3, 1947

Humphrey of Minneapolis and others. NELSON had not indicated whether his party existed only in his imagination or if there were other members of the organization.

The tip for his arrest allegedly came from SAMUEL L. SCHEINER, Director of the Minnesota Jewish Council. Mr. SCHEINER was quoted as believing that NELSON's activities were due to having failed to receive a commission while serving in the Army and blaming Jewish officers for this. He was supposed to have told his attorney he is convinced B'nai B'rith intends to control the world and that Russia completely is dominated by the Jews.

Mr. BLOCK stated upon reading the article just described in their magazine, he had decided the matter should be reported to the FBI.

The Bureau is requested through its liaison with the Army to determine whether the Nazi handbook described above which contains a stamp indicating ownership by the Civil Affairs Division, is actually Government property and whether it has been reported missing. No further action will be taken here pending the results of this inquiry or in the absence of instructions from the Bureau.

The St Paul Office is requested to furnish this office any information available concerning the activities of NELSON.

In connection with the attached letter received by Mr. Nichols from Paul Richman, there is being set forth below a summary of the information appearing in the Bureau's files concerning the above captioned individual which you may desire to furnish to Mr. Nichols for his information.

Maynard Orlando Nelson was born on January 1, 1924, at Minneapolis, Minnesota, and his father, Nels Nelson, and mother, Ingrid Nelson, were both born in Norway. Nelson had his name changed to Nelsen while serving in the United States Army and he advised he had it changed because the latter name was not as common as the Norwegian spelling.

An investigation was instituted by the Bureau in January, 1947, of the captioned organization in view of anonymous letters being sent by him to important personages such as General Eisenhower, Mayor Hubert Humphrey, Jr., of Minneapolis, and President J. L. Morrill of the University of Minnesota. These communications were extremely anti-Negro and anti-Semitic in character and all contained implied threats to the addressee. For example, in the letter to General Eisenhower it was demanded that he discharge all Jews, Negroes and Communists from the Armed Forces and that if the demand were refused this organization would create an Army which would be the true representative of the American people.

On April 4, 1947, latent fingerprints furnished by the St. Paul Office were identified by the Identification Division as belonging to Maynard Orlando Nelson, Army Serial Number 17109020.

On April 24, 1947, a teletype was received from the St. Paul Office indicating that Minnesota State Officers had arrested the subject on the previous day. He admitted in a signed statement that he had written the letters referred to above and that he had also sent letters to General Marshall, President Truman, Senator Bilbo and Representative Rankin. In a search of Nelsen's office, State officials obtained a letter dated December 18, 1945, addressed to the subject from J. E. Rankin of the House of Representatives on stationery of the United States Committee on World War Veterans Legislation. This letter expressed Rankin's sincere thanks for the subject's splendid letter of commendation on his stand in Congress with regard to certain "vital questions."

In the letter Rankin stated, "I note you hope to be returned home soon. If and when you are in Washington, I will be glad to have you call at my office and let me shake your hand."

The State Officers also obtained a rubber Democratic Nationalist Party stamp, DNP letterhead papers, posters containing anti-Jewish statements, a German Luger automatic and a twenty-five caliber pistol. Nelsen also admitted placing anti-Jewish and anti-Negro posters on the campus of the University of Minnesota.

Nelsen was placed under a \$10,000 cash peace bond by the Minneapolis Municipal Court, with a six months' sentence stipulated if the bond was not made. Nelsen was given psychiatric tests at the General Hospital in Minneapolis and on May 15, 1947, he made his bond which had been reduced from \$10,000 to \$1,000.

By letter dated July 3, 1947, the San Francisco Office advised that on July 1, 1947, Mr. Eugene Block in charge of the Jewish Survey and B'nai B'rith community office in San Francisco, advised that Nelsen was presently a student at the University of California where he is engaged in Nazi activities. The San Francisco Office ascertained that Mr. Block had based his allegation upon information received from a San Francisco tailor by the name of L. Riznik, who reported on June 2, 1947, that an individual appeared at his store and wished to order uniforms which he desired to be similar to those worn by the Nazis. At the time Nelsen called on this tailor, however, he wanted only one jacket, which he wanted made as an exact copy of one set forth in a Nazi handbook. The handbook which Nelsen had in his possession was noted to be the Organisationsbuch der Nazionalen Deutsche Arbeiterspartei. Mr. Riznik also noted that this book had the following stamped on the inside of the cover, "Property of the DeNazification Board 111, Room 213, T4, R. C. Peterson, Second Branch, Second Military Department, BN, Second European Civil Affairs Division." Nelsen told Riznik he had obtained this book from an Army friend.

In ordering the jacket, Nelsen stated he desired no epaulettes on the shoulders. He left several sketches which Riznik believed Nelsen had made himself of the jacket in question. He indicated that he might want six uniforms later of the same type for members of a group he was forming. He gave his address as 171 Bryant Street, Palo Alto, California.

The San Francisco Office has requested that a check be made with Army authorities to determine whether the above described handbook is actually Government property and whether it has been reported missing. The attached memorandum from Mr. Fitch to you dated August 1, 1947, indicates that this matter has been discussed with Colonel H. H. Mole of the Intelligence Division of the War Department who has advised that he will check into this and attempt to obtain the desired information.

PAUL RICHMAN
1003 K STREET, N. W., WASHINGTON 1, D. C.

July 23, 1947

Dear Lou:

Some time ago in Minneapolis, the F.B.I., after considerable investigation, arrested the head of a so-called "Democratic Nationalist Party" who turned out to be a young man of about 26, namely Maynard O. Nelson. He had posted hundreds of violently anti-semitic placards on the University of Minnesota campus and in his room was found a small arsenal of ammunition.

We understand he is now at liberty on a \$1,000 peace bond posted in Minnesota.

Presently we learn that Maynard O. Nelson is in San Francisco. He seems to have visited a local uniform concern and displayed there an official Nazi party book together with pencil sketches of Nazi insignia. He ordered a replica of such a uniform to be made to his measurements, without the Nazi insignia of swastika or eagle and explained that he might want about six more of these for members of a group he was forming. He attempted to enlist then at Stanford University, but failed. He then went to Palo Alto where he was boarding, going on next to Berkeley and becoming a summer session student at the University of California where he now is.

I understand that this matter has already been referred to the F.B.I. in San Francisco, but I see no harm in presenting this information directly to you.

Sincerely yours,

Paul Richman ENCLOSURE

II. MEMBERSHIP AND ACTIVITIES

NELSEN's Connection with
the Realpolitical Institute

NELSEN was the founder of the Realpolitical Institute, Post Office Box 1785, Chicago, Illinois, in late 1954.

(T-2, 11/14/58)

On October 16, 1954, United States Post Office Box 1785 was issued to MAYNARD O. NELSEN of the Realpolitical Institute.

(T-3, 11/10/58)

By letter dated December 7, 1954, KURT HIRSCH, 8201 $\frac{1}{2}$ Sunset Boulevard, Hollywood, California, furnished the Attorney General of the United States a copy of an undated leaflet, from M. NELSEN, which is quoted as follows:

CG 105-5587

"From--- REALPOLITICAL INSTITUTE, P.O. Box 1785, Chicago 90, Illinois

"Te----- All Nation-Conscious Whitemen In Our United States of America

"Re----- Internal Communist Danger and Conspiracy

"Subject - Realpolitical Theater

"THE REALPOLITICAL INSTITUTE recognizes the following:

1. that the greatest threat of ~~Communism~~ is political and educational, and is within the continental limits of our United States of America.
2. that this internal Communist danger has, through twenty-five years of treason, successfully captured much of the Democratic and Republican political organizations and leadership (either directly or indirectly) so as to neutralize our American power and prevent us from formulating an effective policy to counter external Communism and its armed might.
3. that this internal Communist conspiracy has as its final objectives the mongrelization of our American Whitefolk and the destruction of our American Nation, which is the unique creation of our own American Whitefolk.

"THE REALPOLITICAL INSTITUTE presents the following:

1. many American universities and colleges have produced confused and misguided graduates, some of whom are dedicated to the overthrow of our Republic.
2. many American universities and colleges are centers of Internationalisms, Pacifisms, and other alien doctrines devoted to the destruction of our Whiteman's way-of-life.
3. many American universities and colleges have lost contact with and have isolated themselves from the history, views, and aspirations of their Nation.

CG 105-5587

"THE REALPOLITICAL INSTITUTE will sponsor a new, positive type of political action whereby the struggle against internal subversion is taken directly to our own Whitefolk, whose minds have been drugged by motion pictures, radio, television, and the infiltrated press. A former motion picture theatre will be purchased in the Chicago area and used as a community center where patriotic Whitemen can meet and discuss the crucial questions of the day. Vital political issues will be dramatically presented through programs by loyal American Nationalist leaders, speakers, and entertainers.

On December 10, 1954, NELSEN appeared in the Chicago Office of the FBI and advised SA MAX G. On April 4, 1955, [REDACTED]

[REDACTED] furnished the following information:

The Realpolitical Institute was started by MAYNARD ORLANDO NELSEN in about November, 1954, in Chicago, Illinois. NELSEN's purpose was to create a new political party called the Realpolitical Institute. This organization is anti-Communist, anti-Semitic, and favors the white race. NELSEN hoped to gain a following for his party on these issues.

NELSEN, in February, 1955, visited with FREDERICK WEISS in New York, to promote his ideas and secure information from WEISS. According to PINSLEY, WEISS has in the past

CG 105-5587

promoted neo-Nazi activities in the New York area. This organization has failed to get "off the ground", and does not attract interest or a following. There are no known members in the organization besides NELSEN. NELSEN's main activity in this organization has been the occasional circularizing of printed mimeographed sheets in the Chicago area. NELSEN's idea was to get this organization started by holding mass meetings in a theater. These meetings have failed to materialize. The only apparent money used to promote this organization is from NELSEN's own funds, and an occasional contribution that he may receive.

b6
b7C
b7D

[redacted] on February 16, 1955, furnished the following information concerning NELSEN's plans for the Realpolitical Institute:

NELSEN was considering the purchase of the Times Theater, 4847 Milwaukee Avenue, Chicago, Illinois, which is for sale. NELSEN estimated that \$25,000.00 would place his organization in business. Of this \$25,000.00, NELSEN planned to spend about \$15,000.00 to purchase the building and \$10,000.00 would be used for an operational fund. In this theater project, NELSEN would be the director. The organization would charge \$1.00 admission to the theater and the theater would be open about one day a week. The organization would present good speakers who would speak on Americanism. NELSEN believed that many people would pack the theater just to see the members of the Realpolitical Institute and would think of them as characters on a stage.

As a result of this action, NELSEN believed this organization would receive a great deal of negative publicity (not further described) from the Chicago newspapers. NELSEN's idea was to make Americanism nation-wide by promotion. NELSEN has tried to borrow the money for this project without success. This organization, according to [redacted] has not participated in any parades, demonstrations or acts of violence.

On April 15, 1955, Mr. RAYMOND MARKS, 4812 North Clark Street, Chicago, advised that no one, to his knowledge, by the name of NELSEN or any organization by the name of

CG 105-5587

Realpolitical Institute, has made inquiry to purchase or lease the Times Theater, 4847 North Milwaukee Avenue, Chicago, which he owns. Mr. MARKS stated that he has received several telephone calls regarding this property, but when he has informed the callers the price, the callers are not interested.

By letter dated October 6, 1955, the Minneapolis Division furnished Chicago with a copy of "The Thunderbolt", a publication of the Realpolitical Institute. Minneapolis received the below quoted material from WILLIAM L. NUNN, Director, University Relations, University of Minnesota, Minneapolis, Minnesota:

"Dear Sir:

"We want your support of our group because you are a member of the Whiteman's Managerial Elite which has been made politically ineffective by the disloyal Jewish Consensus. You, as a manager have produced the technological advances upon which our civilization is based, but a conspiracy has prevented you from fulfilling your political destiny as a Whiteman.

"We have the answer to the Communist Manifesto. We work for an "implosion"...the internal release of the dynamic political energies of our own Whitefolk. We have our own revolutionary idea...the Whiteman's Managerial Revolution.

"This is a personal opportunity for you to do something--will you give us your anonymous support? We shall be happy to meet you personally, here in Chicago, if you so desire. Write us today -- the safety of your family and your future and perhaps your very life are at stake.

Subject: American Nationalism

1. Your \$5 contribution was received -- many thanks -- every penny of it is used to distribute more of our literature.
2. There is a definite reason for our antagonistic manner in written communications. Through a 10 year history in this work, we have been approached by certain 'professional' Jews who want to 'work with us' -- by 'buying their way in' they want to be in a position to make policy so as to help the professional Jewish organizations raise more money from their members through 'scare' propaganda. Are you aware of who is financing COMMON SENSE, the so-called anti-Communist newspaper from Union, N. J.? Almost every so-called 'patriotic' organization has some Jewish supporter who makes sure that there is a definite distinction made between 'good Jews' and 'bad Jews'. We keep ourselves clean by keeping ourselves clean of all Jewish influences.
3. It is not possible to intimidate us, bribe us, etc. -- we have political police records with several Federal Govt. organizations, as well as in several large cities. And of this we are extremely proud -- these facts are our 'calling cards' and recommendations.
4. For the past ten years we have concentrated on developing the IDEA of American Nationalism -- the next ten years will be devoted to 'selling' it in every possible way.

CG 105-5587

5. By the time we reach our mid-forties, we will have absolute political power, or we will be dead.
6. If you are ever in Chicago, please write me for a personal meeting.
7. For us, our work is a matter of the life or death of our Folk -- it is not a hobby, or part-time occupation.

"Sincerely yours,

In February 1952 [redacted] previously mentioned, advised SA [redacted] that, in February, 1947, NELSEN, the former head of the defunct Democratic Nationalist Party, (hereinafter mentioned), was released on parole by Minneapolis, Minnesota authorities, and furnished the following information regarding NELSEN:

In October, 1947, NELSEN was arrested for writing threatening letters and, at the time of arrest, plans for a Fascist organization (not further described) and anti-Semitic and Fascist literature from the Patriotic Research Bureau were found on his person.

According to [redacted] the Patriotic Research Bureau was organized in February, 1938, and it accumulated, compiled and published anti-Semitic and anti-Communist propaganda.

In May, 1947, MAYNARD O. NELSEN, age 23 years, University of Minnesota student, admitted he was the Minneapolis leader of the Democratic Nationalist Party. This party was described as a "hate" group which advocated persecution of racial minorities.

CG 105-5587

The files of G-2, Chicago, were reviewed on June 30, 1955, and disclosed that NELSEN was a member of the "American Committee for the Advancement of Western Culture", an organization reported to have former top Nazis in its international leadership.

According to G-2, Chicago, NELSEN formerly resided in Minneapolis and was arrested in Minnesota in April, 1947, after he admitted placarding the University of Minnesota campus with anti-minority posters. In October, 1947, NELSEN appeared in Minneapolis attired in a Nazi uniform and carried detailed plans to "overthrow the government". These plans were not further identified. NELSEN was placed on probation following a hearing that he be placed in an institution. Judge JAMES KEHOE, when discharging NELSEN from parole, stated that NELSEN's "egocentric and inappropriate thinking has disappeared."

SA [redacted] on July 3, 1953, made available to [redacted] a photostatic copy of the "National Renaissance Bulletin", dated April, 1953. This bulletin, on page 1, column 1, reflected an article pertaining to the officers and purpose of the American Committee for Advancement of Western Culture. This article disclosed in part that E. KEITH THOMPSON, JR., the former registered American agent of General OTTO REMER's Socialist Reich Party of Western Germany, has announced the formation of the American Committee for Advancement of Western Culture, of which he is the National Director. Many leading Nationalist figures will constitute the Board of Directors and the Advisory Council. The purpose of this committee will be to serve as a dynamic pressure group to further all political, cultural and racial causes which tend to advance the struggle of Western civilization against the onslaught of Asiatic barbarism. The committee will not be a membership organization, but will serve as a high policy planning group for the coordination for racial, nationalistic activities in America, Europe, Africa and Asia.

DETAILS: AT CHICAGO, ILLINOIS

The following investigation was conducted by
SA WILLIAM R. CATHEY at Chicago and Roselle, Illinois:

I. BACKGROUND

Residence

On January 14, 1959, MARION A. VICTOR, 110 Morgan Lane, Roselle, Illinois, advised SA WILLIAM R. CATHEY that NELSEN currently resides at 114 Morgan Lane, Roselle. VICTOR stated that NELSEN moved to his current address during the last week of October, 1958. VICTOR said, to the best of his knowledge, NELSEN has taken no trips out of town subsequent to his moving to Roselle. VICTOR identified a 1953 Grey 4-door Ford Mainliner Sedan, bearing 1959 Illinois License Number 418075, as an auto which is owned and driven by NELSEN.

VICTOR stated he is aware of nothing of a derogatory nature concerning NELSEN and should he learn of proposed or actual trips by NELSEN he will contact the Chicago Office of the FBI.

VICTOR said he will maintain the contact in strict confidence.

Employment

On December 16, 1958, GWEN CURRIE, Receptionist, Miller-Carlson, Incorporated, 22 West Madison Street, Chicago, Illinois, advised SAs WILLIAM R. CATHEY and H. SIDNEY NEEL that she resides at 626 North Lorel Street, Chicago, Illinois, and her home telephone number is Esterbrook 8-2197.

CURRIE stated she has been employed by the Miller-Carlson Company for the past year and four months. At this point the interviewing agents thoroughly explained

GG 105-351528

to CURRIE the extremely confidential nature of the inquiry and she responded by stating that she will respect the confidence of the FBI in this matter.

When asked about MAX NELSEN, CURRIE stated that he is employed as a Bookkeeper for Miller-Carlson Services, Incorporated, which office is located on the 6th floor of 22 West Madison Street, Chicago. She stated that NELSEN has been so employed for over one year and four months. She stated that NELSEN arrives at work at a short time prior to 8:25 a.m. and departs from work at a short time prior to 5:00 p.m. (the latter of which is usually around 4:40 p.m.). She said that NELSEN works five days per week, Monday through Friday, and, due to the nature of his job, has liberal ingress and egress privileges. CURRIE said that she is not thoroughly familiar with the exact nature of NELSEN's duties; however, she knows that he must report to the United States Post Office each day to have the Postal Stamp Meter receipts checked.

CURRIE stated that to the best of her knowledge NELSEN has not taken a vacation from Miller-Carlson since she has been employed with that firm with the exception of one day during early November, for the purpose of moving from Catalpa Street, Chicago, Illinois, to a new residence at Roselle, Illinois.

CURRIE continued that NELSEN has two very close associates who either visit him at Miller-Carlson each and every day or call him at Miller-Carlson several times each day. She stated that these persons are described as follows:

Subject Number 1:

(FNU) ANDERSON, described as White male, 35 years of age; 5'10" - 5'11" in height; curly blond hair; light complexion; 165 pounds; medium build; blue eyes; neat appearance; single; talks with an effeminate air and in her opinion is [redacted]

CURRIE stated that this opinion is based entirely upon her own observations of this person.

b6
b7C

CG 105-5587.

Subject Number 2:

(FNU) MULLENS, described as White male, 35 years of age; 6'2" in height; 200 pounds; heavy build; scraggly dark brown hair; wears a hat; medium complexion; horn rim glasses; brown eyes; also has an affected effeminate manner. In regard to MULLENS, CURRIE stated he is sloppy in his personal appearance.

CURRIE said that NELSEN had told her he had travelled with two friends and their children to Green Bay, Wisconsin, and spent the day of Thanksgiving, during November, 1958. CURRIE stated she has never heard of the Realpolitical Institute and she has never heard of a publication called "The Thunderbolt".

CURRIE stated that to the best of her knowledge NELSEN has never agitated or discussed race relations and she considers him to be a "queer duck". CURRIE said that this assumption on her part is based on his associations with MULLENS and ANDERSON.

CURRIE continued by saying that NELSEN resides with his wife and one child at Roselle, Illinois, and his wife is expecting the birth of another child during the week of December 22, 1958.

CURRIE said she is not aware of NELSEN's mode of conveyance to and from work or whether he has a car located at his home. She said NELSEN's wife is a German National; however, she does not know whether his wife has applied for or obtained United States citizenship.

CURRIE stated that if she learns of any information concerning the Realpolitical Institute or any racial matters relating to NELSEN or should NELSEN plan or make a trip out of town she will immediately notify the Chicago Office of the FBI.

On departing, CURRIE was again reminded of the extremely sensitive and confidential nature of her relationships with the Bureau and she stated she will not violate any trust placed in her by the FBI.

CG 105-5587

B. APPROX. 1924

On January 14, 1959, GWEN CURRIE was shown a number of photographs by SA CATHEY. CURRIE identified a photograph of PAUL GEORGE ANDERSON as being identical with Subject Number 1, above, and a photograph of EUSTACE MULLINS as being identical with Subject Number 2, above. Further, CURRIE identified a photograph of NELSEN as being a suitable likeness of MAYNARD NELSEN.

In regard to PAUL GEORGE ANDERSON, it is noted that [redacted]

These Days

The Private Eyes

By George E. Sokolsky

SOME time ago, I received a letter from E. Mullins of the policy committee of the Institute for Biopolitics of Chicago ques-

Sokolsky

tioning me as to the truth of the report the aforesaid Mullins had received from H. L. Hunt, the oil tycoon, that Lenin, Trotsky and I made the Russian Revolution. Amused, I replied that it must have been another feller.

Subsequently I heard that some Chicago private eyes, formerly FBI agents, were searching through files of my voluminous writing. Their apparent object was to discover whether I was or was not Zionvie or Kamenev, or maybe Madame Kollontai, or perhaps even Elsa Maxwell.

THE conspiracy deepens! Behold! I am told that a Chicago millionaire, who I assumed, is a friend of mine, is financing the Institute for Biopolitics which made me a bit miserable, for the name mentioned is that of a good American. Let us pull a veil over it all!

Then I received a letter from the Institute for Biopolitics saying: "Your support is needed today!" The document is addressed to "the whitemen of America." The subject of the letter is "parasitism." The first paragraph of this letter reads:

"The philosophy of the group led by Jews, which now holds power in the United States and in the other 'people's democracies,' is that of humanism. This doctrine holds that since all human beings are equal, any

human being who works harder and earns more shall have a percentage of his earnings taken from him and donated to those who work, less or not at all. As any biologist knows, the human beings who subsist on the efforts of others are parasites . . . The philosophy of humanism is the philosophy of parasitism."

THE House Committee on Un-American Activities in 1954 issued a report on "neo-fascist and hate groups." Among those mentioned was the National Renaissance Party and the report notes that Eustace Mullins, my Chicago pen pal, wrote an article for the NRP bulletin, entitled, "Adolph Hitler: An Appreciation." He is also noted to be a staff writer for "Common Sense," a particularly vicious anti-semitic publication. In his article on Hitler, Mullins wrote in October, 1952:

"Eventually America must admit her debt to Adolf Hitler for it was Hitler who first called upon all Aryan people to unite and challenge (sic) Jewish economic and political power. It was Hitler who first enunciated the doctrine of national self-determination and led the armies of Christian Europe in a great crusade against the godless Jews of the Kremlin. Hitler, like Christ before him, was crucified on a cross of gold through the duplicity of his own Christian people."

Mullins is associated with Maynard O. Nelsen, who heads the "Realpolitical Institute" which gives the same P. O. Box in Chicago. From the record that I have gathered, Mullins is a very active and aggressive person. He seems to be obsessed with the word "whiteman" and his

Institute has published "Pax Americana, the Elite Whiteman's Guidebook." Mullin's associate, Maynard O. Nelsen, started his neo-nazism while still at the University of Minnesota where he paraded in a Nazi uniform and distributed Nazi literature. The police went after him and he had lots of trouble. In 1954, he founded the "Realpolitical Institute," which has, to repeat, the same P. O. address as the "Institute for Biopolitics." Nelsen is not only anti-semitic but he is anti-Christian, he regarding Christianity as a Jewish subversive movement.

ANOTHER organization owned by these two men is called, "M & N Associates." This firm engages in "political engineering." Here Eustace Mullins signs himself "State Chairman of the Constitution Party of Illinois." In an article written by Mullins in this guise, he says that "J. Edgar Hoover's recent book, 'Masters of Deceit,' was largely written for him in the ADL offices in New York, for favors received." ADL refers to the Anti-Defamation League.

I have much more material on Mullins and Nelsen but this suffices to show what the Institute for Biopolitics is. We thought that Hitler was dead but it is apparently possible to make a living out of his ghost. The neo-fascists and the Communists ought to get together to pool their resources in their mutual effort to damage the United States.

It is often suggested that these small efforts be ignored. Nothing can be ignored in these perilous times when our country suffers subversive groups.

Dear Ed,

I read recently that you are receiving a \$ 22,500.00 a year pension upon retirement.

For what?

During your active service International Communism has won victory after victory, year after year.

During World War II, you were, however, doing an excellent job of persecution of native American patriots under orders from the Jewish Commissariat of FDR.

You belong to an era of infamy, degeneration, and treason to the Whitefolk of the United States of America.

Sincerely,

POTENTIAL BOMBING SUSPECT

MAYNARD NELSEN telephonically contacted me today at which time he advised that he is the Illinois Representative of the National States Rights Party (NSRP).

The NSRP is a nationwide organization which has as one of its main objectives the complete separation of non-white and dissatisfied racial minorities from "White Folk Communities". One of the main activities of the organization is the publishing of "The Thunderbolt", a monthly publication which is replete with inflammatory "hate type" material and viciously attacks Jews and the FBI.

NELSEN informed me that the FBI had his background as we had investigated him. He then went on to state that the NSRP was considering placing pickets around FBI Offices throughout the country. He advised that such picketing would very definitely be peaceful and would not, in any way, interfere with the operation of FBI business. He stated that he did not know when this picketing would take place. He advised that the purpose of his call was to determine whether there was any Federal violation in the peaceful picketing of an FBI Office.

I informed him that if he were desirous of knowing whether any set of facts constituted a Federal violation, he should communicate with the USA's Office.

RACIAL POLICY

1. We believe in the creation of a wholesome White Folk Community, with a deep spiritual consciousness of a common past and a determination to share a common future.
2. We favor complete separation of all non-Whites and dissatisfied racial minorities from our White Folk Community.
3. We demand that intermarriage between Whites and non-Whites be outlawed, in all states not already having such restrictions.
4. We demand that total segregation be maintained in the nation's schools, and that only members of the White Folk Community be allowed to engage in the educational and cultural activities of our White society.
5. We believe that segregation should be restored in the nation's armed forces, to rebuild morale and fighting efficiency.
6. We believe it better that only members of our White Folk Community be allowed to take part in the affairs of government or serve in the courts.
7. We demand a policy of non-interference in the cultural affairs of other races.
8. We favor creation of a National Repatriation Commission, to encourage the voluntary resettlement of Negroes in their African homeland, with fullest financial and economic assistance toward that end.
9. We approve the removal of all alien minorities, dissatisfied with our American way of life and the republic for which we stand.

10. We favor the preservation of Indian national life in America, and the unlimited development of reservation facilities.
11. We believe that immigration should be restricted to select White individuals.
12. We demand the impeachment or removal from office otherwise of any public official who advocates race-mixing or mongrelization.

ECONOMIC POLICY

1. We believe that the workers, farmers, businessmen and professional people of our nation should work together as a team, placing the greater good of our White Folk Community above any individual or group interest.
2. We approve of labor unions, run by honest White men and free of subversive influence.
3. We believe that the farmer should get a fair price for his product in a free market.
4. We believe that the government should refrain from competing with private enterprise, and from interfering in the hiring policies of private business.
5. We demand that Congress alone exercise its constitutional right to issue debt- and interest-free currency, based on the production of goods and rendition of services in America.
6. We favor protection of the White American producer by limiting foreign trade to the direct exchange of surplus products.
7. We believe that the purchasing power of the consumer should be raised proportionately, as science increases the power to produce.
8. We demand that the confiscatory taxation policies of the federal government be ended immediately.

SOCIAL POLICY

1. We favor combined civic effort in every individual state to eliminate slum, flood and dust-bowl conditions.
2. We favor creation of proper outlets for the White youth of our nation, to encourage the development of mind and muscle, and provide for instruction in the highest racial ideals.
3. We demand the complete reorganization of our educational system, so that every individual White citizen is afforded full opportunity to realize his vocational ambitions.
4. We demand the elimination of all ideology and influences from the movies, television, radio, newspapers and all other phases of our national life, which tend to cause the degeneration and disintegration of our White Folk Community.
5. We demand the creation of a clean and honest White government, which will provide the basis for a sound economy, with full employment and improved living conditions for White citizens of every age.

STATES' RIGHTS POLICY

1. We demand that the federal government cease interfering with the sovereign rights of the states, as guaranteed by the Constitution.
2. We demand that the federal government stop issuing judicial decrees which violate state sovereignty.
3. We demand that the federal government stop fostering thought-control, and refrain from violating the traditional social customs of the individual states.

4. We demand the removal of all federal control over the national guard units and law enforcement agencies of the states.
5. We demand that all states exercise their authority to stop the secret-police tactics employed against them by the federal government.
6. We demand that the states uphold their right to investigate, prosecute, and obtain conviction of subversives within their borders.

FOREIGN POLICY

1. We approve the strengthening of cultural and moral ties among all White nations, in view of the world-wide survival crisis which the White Man faces.
2. We demand that White Christian boys never again be sent to fight and die on foreign soil to appease the interests of an alien minority.
3. We demand that all financial and moral support to the State of Israel cease, as a basis for the rebuilding of Arab-American friendship.
4. We demand an end to the policy of foreign give-aways.
5. We oppose any international entanglement whereby this republic would tend to lose its sovereignty and freedom.

The year 1960 marked the end of

At 10:55 a.m. this date MAYNARD NELSEN called for the SAC. In his absence, NELSEN talked to ASAC JAMES L. HANDLEY, at which time he stated he wanted the FBI to know that his activities and the activities of the National States Rights Party are open and above board and that if we want to know anything, all we need do is ask them.

He stated that a Mr. DOLAN of the Chicago Office has been snooping around the meetings of this group, and he wanted to repeat that this was not necessary, to tell DOLAN to forget it, and stated that anything we wanted to know we could find out from him directly. He stated that DOLAN showed up at their last meeting incognito and that he had checked the thing out and found out that it was DOLAN from our office. He belligerently stated that there was no need for us to horse around and that his organization is launching an all-out campaign against liberalism and is going to do a lot of work against Communism inspite of the FBI.

Nothing was said to NELSEN to indicate any interest on the part of the FBI or the Chicago Office with respect to him or his organization.

Agent DOLAN from the Chicago Office has never actually covered a meeting of this organization and has never been at a meeting of this group incognito. However, it is pointed out that during a meeting of this group held in the Atlantic Hotel in Chicago on March 29, 1961 last, Agent DOLAN was in the lobby of the Atlantic Hotel, and it is believed that he was possibly recognized by MATTHIAS KOEHL, also a potential bombing suspect who was in attendance at this meeting. On this date MAYNARD NELSON telephonically contacted the Chicago and spoke with ASAC JAMES L. HANDLEY. NELSON advised that he was the Illinois representative of the National States Rights Party. He stated that he had not received an answer from the Justice Department relative to the legal aspects of his picketing the FBI. He indicated he had received an answer to his communication from the Justice Department but it did not answer his question.

He also advised that he noticed that the American Jewish Congress is going to meet at the Sherman Hotel in Chicago in the near future. He stated that the FBI should know this is one of the top subversive organizations in the United States and that a Rabbi PRINZ (phonetic) who had been kicked out of Berlin for his Communist activities was one of the leaders of the American Jewish Congress. He inquired as to whether or not the FBI intended to do anything about it. He was advised by the ASAC that the ASAC had no comment to make to him on anything. He then stated that the FBI should investigate this and we would find out a great deal, particularly about the Fourth Bureau, that they will have top people here, and he repeated this was the biggest subversive group in the Western world.

NELSON then stated that this was made in the form of a suggestion but he believed it should be of interest to the FBI and that we should do something about it.

Within ten minutes NELSON called back and advised the ASAC that for the information of the FBI he wanted to state that

NOTE: Subject Nelsen is the Illinois Representative of the

of Congress who has previously published segregationist literature.
Ezra Pound was released within the last year or two from
St. Elizabeth's Hospital in Washington, D.C., and allowed to
leave for Italy. The United States Government at the time of
his released dropped a charge of treason against Pound.
Frederick John Kasper, a notorious segregationist, was a close

It is believed the Bureau should review the book written by

Dear bobby-o :

One of your Secret Service apes, named [redacted] has recently been harassing my personal friends by asking 'questions' about myself.

I wish to officially protest this type of activity directed against my person, and my personal friends.

As Illinois representative of the National States Rights Party and as a staff member of the Institute For Biopolitics, I am interested in you and your nomination-buying, vote-stealing brother who now is known as the President of these United States. This interest is political only. I have no interest in any kind of physical violence against you, your brother, or any of your families. And it goes without saying also, this applies to that long-nose kike-lover, Lyndon Johnson, who is now known as the Vice President of these United States.

I suggest you get in touch with that mulatto fairy, J. Edgar Hoover, and ask him to show you my file. My FBI file should be as complete as any in Washington, D. C.

By the way, bobby-o, have you read the best-seller called THIS DIFFICULT INDIVIDUAL, EZRA POUND by Eustace Mullins? Why not steal another \$ 5 from the Treasury and go out and buy a copy at the nearest bookstore?

POTENTIAL BOMBING SUSPECT

Re Chicago letter, dated 9/20/61.

Enclosed herewith is one Xerox copy of a letter received by me from captioned individual, dated 3/25/63. Also enclosed is one Xerox copy each of two letters which NELSEN enclosed to me.

Upon receipt of the letter from NELSEN and noting its extremely distasteful contents, my first inclination was to immediately send Agents from this Office to severely admonish NELSEN and to straighten him out in this matter; however, following a review of material concerning NELSEN as contained in our files, which review included referenced letter which reflected among other things that NELSEN is anti-semitic to the point of being considered psychotic, I decided upon a different course of action. I immediately instituted inquiries in a most discreet manner to ascertain the possibilities of having NELSEN committed because of his obvious mental capacities. In this regard, it is my intention to fully and discreetly explore all possibilities of possible commitments.

In arriving at my decision to proceed as set forth above, I have considered numerous contacts made by NELSEN with this Office in the past. I have noted and I am sure the Bureau is aware as to the variety of matters these contacts concern and have noted that some even border on the ridiculous. It seems apparent that NELSEN derives certain pleasures from the idea that the FBI is interested in him.

For the above reasons, I am not acknowledging NELSEN's letter. I feel that such acknowledgment would do no more than serve as encouragement for future correspondence of this kind. I am also of the opinion that personal contact with NELSEN by representatives of this Office would serve no useful purpose because of his mental condition and would only present NELSEN with an opportunity to cause this Bureau embarrassment. Chicago files strongly indicate NELSEN would not accept admonishment and for the reason stated, no contact will be had with him.

Chicago, Ill.

Dear Marlin:

I have just sent a rather 'nasty' letter to your chief, J. Edgar Hoover, referring to him as a Jew-worshipping, nigger-loving bastard. His personal involvement in getting the USA into World War II was recently spelled-out in the March, 1963, issue of the TRUTH SEEKER, published by my friend, Charles Smith. See page 41, lower left column, if you are interested.

I enclose two recent letters by my friend, Mr. Harman. From the purely propaganda point-of-view, they are both excellent.

It makes me think of those terrible days of World War II, when your bug-eyed chief in Washington, D. C. was persecuting old ladies and loyal Germans. Letters like this would have meant a one-way ride to a concentration camp! How the world does change!

We Whitemen may not survive the Russians and Chinese, but there is one consolation ... you won't either! And this is your reward for crushing Europe!

To my patriotic friends whom the race-pervert subversives call "Conservatives," "Extremists," and "rural red-necks (working country people)..."

GREETINGS:

I must alert you to a recent article in a de luxe, slick, national magazine claiming millions of readers, written by one touted as a "constitutional expert and social philosopher." This slimy sheet has entree to the mind of every judge and lawmaker in our America. The article is to be the basis for a new line of Court decisions on Constitutional law (relative to apportionment) which decisions are to become "the law of the land." The "Constitutional expert" refers to our written Constitution as having been "hammered out." The story states that the "organization of Congress was a special compromise," that "counties are not sovereign bodies" and that "the federal idea is not applicable within the States." All Americans, not race-pervert subversives, know that counties and States are created by the sovereign people residing therein, not by any courts.

By innuendo, the story hints that something terrible happened when people not subversive to the Constitution "caught up with a U. S. Supreme Court justice." What actually happened was that a routine court order was entered which the "Constitutional expert" resents and hates. The story ignores the well known fact that several years ago the leaders of the criminal Communist "apparat" "caught up with" many of our judges at the A.B.A. convention. This sheet threatens that if the "mumbo-jumbo" of the CONSTITUTION continues we will have "government by paralysis." However, the "constitutional expert" has hopes, enumerates his "first victories" in creating a "democratic ideal" and ends with a race-pervert cliché, that "rabid, rural red-necks (meaning our working people) "will lose."

The slimy sheet would have us believe that the compromises arrived at in our Constitution are so vicious that ITS courts should relieve the imperial government (formerly known as a UNION OF SOVEREIGN STATES) from the Constitutional limitations on its power, so wisely spelled out by the sovereign people. Many of our courts are becoming submissive to this kind of subversion and would "make a fence about the law" - and the Constitution. The sheet would have our courts ignore the fact that at the time of the writing of the Constitution ALL OF THE SOVEREIGN POWER RESIDED IN THE PEOPLE, and in the sovereign States that met in convention and framed our written Constitution.

The story in the slime sheet ignores the fact that our FEDERAL GOVERNMENT has NOT at any time given any rights or powers to the sovereign States, counties or the sovereign people of the sovereign States, but that under our written Constitution ALL POWERS not specifically delegated to our Federal Union reside in the people and in the sovereign States. Marxist race-perverts cannot understand anything so honest and simple.

100-357528-23
Subversives who would destroy our Republic of sovereign states, mutually support each other.

Judicial protocol today requires that our courts lend their ears to homo sapient race-perverts who have only an evil intent, design and purpose to destroy our Constitution by THEIR judge-made "laws." We have in star chamber sessions allowed these homo sapient race-perverts to take the place of our written Constitution and stare decisis. In one opinion of our courts two of these race-perverts were used for "authority" and "reasoning" of the court. One of the race-perverts, a well known Communist, obtained employment with the United Nations as demanded by Moscow, and wrote pamphlets on Marxism, printed and distributed by Communist money. The other race-pervert pretends to be a "social anthropologist," but in all of his writings denies the existence of anthropology. The Marxist writings of these two race-pervert subversives were accepted by one of our courts as the basis for the court's opinion that the hucksters of Marxism now proclaim is "the law of the land." The decision is subversive to the Constitutional guarantee that "the Constitution and the laws passed in pursuance thereof * * * are the law of the land." Up to this time all lawyers and judges, not race-pervert subversives, considered a decision as being only the law in the particular case. The crescendo of the beating of the drums in high places - television, radio, films, entertainment, and printed media - cannot drown out the cries of grief and anguish of those sacrificed on the altar of Marxism - while freedom dies.

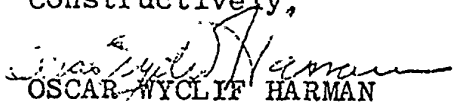

The "constitutional expert and social philosopher" who is touted to be the new adviser of our courts and legislatures and whose writings will in the future take the place of learned briefs by skilled lawyers, is also the author of another smear-America article printed a few months ago in the same sheet - an apology for Jagan of British Guiana. In this story the smear sheet tries to persuade us that we must shed tears of sympathy for Jagan, for, according to this sheet, Jagan had to become a Communist because he met only immoral people in the United States. Q.E.D., the Communists alone can save us from "immoral Americans."

I am one of the "red-necks" in Chicago who was forced to stand by while the "apparat" seduced and converted Jagan to Communism. This seduction and conversion to Communism was aided, of course, by our rulers in Washington, subject to the Hiss protocol of the State Department, who proclaimed that Russia is "a democracy just like ours." The Q.E.D., the conclusions are false and the story in the smear magazine and every portion thereof is a barefaced lie and is known by every apologist for Jagan to be a barefaced lie.

Falsus in omnibus.

The story does contain one small shred of truth. It equates Socialism with Marxism, but does NOT give the correct equation: that the CRIMINALITY of Socialism is to Marxism as a flea is to a rhinoceros.

Constructively,

The subject, an obvious mental case who is on the bomb suspect list of the Chicago Office and who is the Illinois representative of the National States Rights Party (NSRP), sent a letter dated 3/25/63, to the Director, which letter was particularly scurrilous, clearly indicating his mental instability. The NSRP is an anti-Negro, anti-Semitic organization with headquarters in Birmingham, Alabama, which organization has frequently attacked the Director and this Bureau. In addition to this letter, the subject wrote a letter to Mr. Marlin Johnson, the Special Agent in Charge of the Chicago Office, dated 3/25/63, in which he boasts that he had just sent a rather "nasty" letter to Mr. Hoover.

Nelsen is periodically investigated by the Chicago Division and has been described as violently anti-Semitic to the point of being considered psychotic. SAC Johnson has submitted an airtel with a copy of Nelson's letter to him. Mr. Johnson indicates that he is instituting inquiries in most discreet manner to ascertain the possibilities of having Nelsen committed because of his obvious mental incapacities.

RECOMMENDATION:

Nelsen has a long record of connection with anti-Semitic groups and has described above, his hatred amounts to almost a psychotic state. It is recommended that the SAC, Chicago, proceed with his inquiries toward having Nelsen committed.

ACTION:

That the attached airtel be sent to Chicago to proceed along the lines outlined by that office.

Re Chicago airtel dated 3/27/63, captioned

Buairtel to Chicago dated 4/2/63, captioned as above.

Detective WILLIAM HAYES, Security Section,
Intelligence Division, Bureau of Inspectional Services,
Chicago Police Department, who has been contacted on a
confidential basis almost daily by representatives of the
Chicago Office, was contacted on 3/27/63 by SA ROBERT J.
DOLAN and on 4/9/63 by SAs DOLAN and [redacted] Detective
HAYES stated that he and his unit are fully cognizant of the
irrational attitude and highly questionable activities on
the part of NELSEN. He noted that the possible commitment
of the subject because of his obvious mental instability
is and has been a consideration. He noted, however, that
NELSEN has been cautious in the past to limit his activities
to a point short of actually violating the law. As a result,
since NELSEN cannot be incarcerated for such actions which
are limited in extent, official consideration regarding his
possible commitment cannot be made. Detective HAYES noted,
however, that NELSEN's activities will continue to be held
in close scrutiny.

On 4/8/63, contact was made with Chief of Police
MARK ORLICK, Hoffman Estates, Illinois, by SAs ROBERT J.
DOLAN and [redacted]. It is noted that captioned
individual currently resides at 114 Morgan Lane, Hoffman
Estates, Post Office Roselle, Illinois. It was learned
through this contact that files of the Hoffman Estates
Police Department do not contain an identifiable reference
to NELSEN. In addition, Chief ORLICK advised NELSEN is not
known to him personally.

NELSEN's activities were discreetly discussed with
Chief ORLICK, who has been very cooperative with this
office in the past and whose integrity this office has never
had reason to question. He was confidentially apprised of

the fact that NELSEN has been characterized as being "anti-Semitic to the point of being considered psychotic." Chief ORLICK stated that he would immediately undertake a personal alert attitude toward NELSEN's activities and stated that henceforth he will take all necessary steps to insure that all available information regarding NELSEN will be brought to his personal attention. He advised that any pertinent information received by him will be furnished immediately to the Chicago Office.

On 4/8/63, [REDACTED]

[REDACTED] whose reliability is unquestioned, was contacted by SAs DOLAN and [REDACTED] who is fully aware of NELSEN's background and activities was advised in a most confidential manner of the Bureau's concern over NELSEN's completely unexplainable activities. [REDACTED] immediately voiced his complete accord with the concern necessitated by NELSEN's unwarranted attacks on individuals, organizations, etc. He pointed out that he has personally undertaken a vigilant attitude regarding NELSEN's scurrilous attacks, looking for the time when NELSEN can be officially called to account for such actions before proper authorities.

SUMMARY FROM NORWEGIAN

U. S. A. in Decomposition and Decadence
(From "People and Land," No. 8, March 2, 1963, pages 1 and 8,
Oslo, Norway)

The author, Max Nelsen, allegedly with the Institute
for Biopolitics in Chicago, says that "about 1983 the U. S. A.
will occupy about the same position in international politics
as India holds today." Ill.

"Therefore, there is not any reason or scant possibility
that the Soviet Union will go to war with the U. S. A. The
speedy downfall of the U. S. A. as a world power will enable
the Soviet Union to convert the American continents into a
sphere of interest in about 1983, if it so desires, but this
development is unlikely. From the geopolitical standpoint,
the North American and South American continents are of little
practical use for it. Its European and Asiatic policies will be
of great significance for its national security, but the American
continents will be less important than Africa."

After a discussion of American history and American
business, habits and comforts the author alleges that "America
of today is characterized by a whisky dream - a slave who has
begun to tramp down a dirty road at 'liberty' and who begs for
a free ride in an air-conditioned Cadillac."

"For those who are interested in building up a nation,
America of today is the worst possible example as its inhabitants
are very busy destroying it That a formerly big nation
disappears from the world scene gives neither reason for sorrow
nor joy. This is simply a historical event."

USA ble kononisert av tapre, energiske europeere.

DET ER EN krise av historisk målestokk de angelsaksiske land er oppe i nå. Vi har i en rekke artikler omtalt situasjoner for England, som har utviklet seg nøyaktig slik som baa. Hitler og Göring forutsa da landet hadde utløst annen verdenskrig og knust den europeiske sentralmakt som alene kunne ha sikret også Englands fremtid. Her skal vi beskjeftige oss litt med situasjonen for såvidt angår det USA som nå to ganger har blandet seg opp i europeiske forhold som krigsdeltager og som dermed også har tilføyet Europa ulivssår. Vi skal ikke være urettferdige i bedømmelsen av utviklingen i den stat som er de norske partipolitikeres siste håp på deres vei mot undergangen, men gir ordet til en amerikaner, Max Nelson ved INSTITUTE FOR BIOPOLITICS i Chicago:

Omkring år 1983 vil USA innta omtrent samme stilling i internasjonal politikk som India gjør idag. Det er derfor ingen grunn til og liten mulighet for at Sovjetsamveldet skulle gå til krig med USA. Enclosed for your information are two true copies
of a letter from subject to "Attorney General Commissar,
Bobby Kennedy, Justice Dept., Washington, D. C.," dated
January 6, 1964. In line with previous attempts by your
office to look into the possibility of having Nelsen committed
to a mental institution, you should see that his present
letter is brought to the attention of appropriate authorities.

In view of content of his present letter, you
should reopen the case on Nelsen, develop current information
concerning him and furnish an appropriate letterhead memorandum
about his present activities. Insure that the local office of
the U. S. Secret Service is furnished a copy of the letterhead
memorandum.

NOTE: The subject, an obvious mental case who is on the
bomb suspect list of the Chicago Office and who is the Illinois
representative of the NSRP, wrote a letter to the Attorney
General which is vicious in nature concerning the death by
assassination of President Kennedy. As an example of the
mentality one sentence is quoted; "I enjoyed the death of
Rockerfeller's son in New Guinea *** and I also enjoyed the
Dallas shooting." Nelsen has previously written objectionable
letters to the Director and in early 1963, SAC Johnson, Chicago,
looked into the possibility of having Nelsen committed to an
institution. Attempts will be made again.

Dear 'Bobby-O':

Well, now that the shooting is over I want to convey my very personal condolences to you and your entire anti-White, Jew-worshipping, nigger-loving family.

Really, we of the 'radical right' lost the best-possible whipping-boy, when your brother was shot by one of your own Marxist types, a real Trotsky nut.

I have recently read JFK, THE MAN AND THE MYTH by Victor Lasky.

This book is a fitting monument to your phony brother ...

the assassination makes for a rather bizarre ending to the entire farce. Imagine, the illiterate son of a multi-millionaire becoming President of the United States! This is too much!

As the son of a poor, White, factory worker and CIO organizer, who never stole a penny, I personally enjoy the misfortunes of the rich. I enjoyed the death of Rockefeller's son in New Guinea (I was there during World War II), and I also enjoyed the Dallas shooting ... it is good to see the rich suffer and die just as the poor ... this is 'real brotherhood'!

MARTIN LUTHER KING....AT COMMUNIST TRAINING SCHOOL

The above picture was made by an employee of the State of Georgia, at the Highlander Folk School in Monteagle, Tennessee during the Labor Day week-end of 1957. The photographer was sent to the Highlander Folk School by the Georgia Commission on Education. The Highlander Folk School was abolished by an act of the Legislature of the State of Tennessee at a later date because it was charged with being a subversive organization.

Those numbered in the picture are:

1. Martin Luther King, Jr., of the Montgomery boycott and the Birmingham riots. Karl Prussion, a counterspy for the FBI for twenty-two years, charges that Martin Luther King belongs to sixty Communist-front organizations — more than any Communist in the United States. He is promoted and encouraged by the Kennedys.
2. Abner W. Berry of the Central Committee of the Communist Party.
3. Aubrey Williams, President of the Southern Conference Education Fund, Inc., The Transmission Belt in the South for the Communist Party.
4. Myles Horton, Director of Highlander Folk School for Communist Training, Monteagle, Tennessee.

MAYNARD ORLANDO NELSEN

On February 28, 1964, a confidential source advised that Maynard O. Nelsen resides at 114 Morgan Lane, Hoffman Estates, Illinois.

On February 28, 1964, a second confidential source advised that Nelsen is currently employed by United Labor Services, 360 North Clark Street, Chicago, Illinois.

On October 27, 1963, the second and a third source advised the Chicago Office of the FBI that from 8:30 PM to 11:30 PM, Saturday, October 26, 1963, a meeting held in the name of Institute for Biopolitics was conducted in the Lincoln Room of the Teutonia Club, 3730 North Clark Street, Chicago, Illinois. Max Nelsen acted as chairman of the meeting and approximately 30 persons were in attendance. This meeting, according to the sources, was called by Nelsen for the purpose of discussing the plight of eight members of the National States Rights Party who were indicted in September, 1963, by a Federal Grand Jury at Birmingham, Alabama, on charges growing out of attempts to interfere with court-ordered racial desegregation in Birmingham public schools. At the conclusion of the above meeting a collection was taken up for the benefit of the indicted National States Rights Party members but no further action was decided on.

It is noted that the second confidential source referred to above advised on June 19, 1962, that during the course of a similar meeting held on June 16, 1962, called by Nelsen under the name National States Rights Party, Nelsen delivered a 45 minute introductory talk regarding the Institute of Biopolitics. He described the organization as one established to help prevent racial suicide by the white race and to help the white race to continue to exist without being "swallowed up" by the black masses. Nelsen stated at the time that the purpose in calling the meeting on June 16, 1962, was to explain the above and to acquaint the people with the situation today. Source stated Nelsen identified himself as the Illinois Representative of the National States Rights Party.

36

MAYNARD ORLANDO NELSEN

On October 28, 1963, the third confidential source identified above advised that the Institute for Biopolitics is, from all appearances, a "one man organization" formed by Max Nelsen to provide him with a "platform" from which he can publicly express his personal views.

In connection with above described meeting held on October 26, 1963, a fourth confidential source advised that during the course of Max Nelsen's appearance at this meeting, Nelsen charged in his talk on several occasions that "talk about anything you want. Talk about fluoridation, and I will come back to the Jew. Talk about taxes, and I will come back to the Jew. Talk about integration and I will come back to the Jew."

Nelsen said during a brief question and answer period that members of the National States Rights Party and associated organizations should infiltrate both the Democratic and Republican Parties during the next election campaign and constantly talk of Jews in either party and their control of of the country and of politics. He does not want, source said according to Nelsen's line of talk, any particular candidate voted into office. Nelsen said "I want the white man to hit rock bottom. You can't talk to him now. Make him go all the way down the hill. When he wakes up some morning and finds nothing but Niggers on one side and nothing but Jews on the other side and he has his back to the wall, then and only then will he fight".

Source added that at the beginning of Nelsen's talk he mentioned that he knew George Lincoln Rockwell and that they had exchanged ideas. Nelsen stated he regarded Rockwell very highly. He also advised that Rockwell had done alot of good for the white man in his fight and that the propaganda and activities Rockwell and his party engaged in, have done a tremendous amount of good for the white man. VA.

The fourth confidential source advised on January 3, 1964, that at approximately that time Nelsen was in contact with representatives of the American Nazi Party at Chicago, Illinois. Regarding the possible consolidation of right wing activities in the Chicago area. Nelsen was known to be in agreement with the American Nazi Party's proposed plan to attempt the consolidation of the right wing on projects looking to a concentrated effort, especially in coming elections.

MAYNARD ORLANDO NELSEN

The United States Department of Justice, Washington, D.C., has received the following letter dated January 6, 1964, signed by one "Max Nelsen". This letter bears the heading "Institute for Biopolitics" and the return address "P.O. Box 1785, Chicago 90, Illinois, U.S.A."

Washington, D.C.

"Dear 'Bobby-O':

"Well, now that the shooting is over I want to convey my very personal condolences to you and your entire anti-White, Jew-worshipping, nigger-loving family.

"Really, we of the 'radical right' lost the best-possible whipping-boy, when your brother was shot by one of your own Marxist types, a real Trotsky nut.

"I have recently read JFK, THE MAN AND THE MYTH by Victor Lasky. This book is a fitting monument to your phony brother ... the assassination makes for a rather bizarre ending to the entire farce. Imagine, the illiterate son of a multi-millionaire becoming President of the United States! This is too much! As the son of a poor, White, factory worker and CIO organizaer, who never stole a penny, I personally enjoy the misfortunes of the rich. I enjoyed the death of Rockefeller's son in New Guinea (I was there during World War II), and I also enjoyed the Dallas shooting ... it is good to see the rich suffer and die just as the poor ... this is 'real brotherhood'!

"I look forward to reading the front pages of the local newspapers re: that Jimmy Hoffa has personally beaten you to within an inch of your life.

"Happy Hate,

"Max Nelsen"

MAYNARD ORLANDO NELSEN

On April 14, 1961, a fifth confidential source advised that Maynard Orlando Nelsen holds Post Office Box 1785, Chicago 90, Illinois, under the name Real Political Institute.

The third confidential source, previously mentioned, advised on February 7, 1964, that Max Nelsen was in attendance at a meeting on February 6, 1964, held under the name of the National States Rights Party in Chicago, Illinois.

On April 4, 1955, a sixth confidential source advised Real Political Institute was started by Maynard Orlando Nelsen in approximately November, 1954, in Chicago, Illinois. Nelsen's purpose was to create a new political party under the name Real Political Institute. This organization is anti-Communist, anti-Semitic, and favors the white race.

Confidential sources familiar with the activities of the American Nazi Party, the National States Rights Party, and Racial Matters in the Chicago, Illinois area were contacted during March, 1964, regarding Maynard Orlando Nelsen. These informants advised that they could furnish no current information regarding the activities of Nelsen.

AMERICAN NAZI PARTY OF THE WORLD UNION OF
FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO
KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time the World," copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leaders," a Richmond, Virginia, daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP-WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 13, 1963, this source advised that in about September, 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP although it has never been a separate organization. He said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that GEORGE LINCOLN ROCKWELL has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the swastika and at being labeled as a Nazi.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963, RICHARD BERRY NORTON, the admitted former director of the FAN group in Baltimore, Maryland, advised that the Baltimore FAN, which was organized in the Spring of 1961, has no official connection with the ANP although until December, 1962, it received all of its literature from GEORGE LINCOLN ROCKWELL's ANP.

2.

APPENDIX

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses;" second, "the dissemination of our program and the truth about the Party;" third, "organizing the people who have been converted to our propaganda;" and fourth, "that attainment of power through the votes of the newly-won masses."

APPENDIX

AMERICAN NAZI PARTY
MIDWEST DIVISION, CHICAGO, ILLINOIS

A source advised on November 14, 1960, that on that date a meeting was held in Chicago, Illinois, for the purpose of organizing a Chicago unit of the American Nazi Party (ANP) which maintains headquarters in Arlington, Virginia. George Lincoln Rockwell, National Commander, ANP, took charge of this meeting.

On May 22, 1962, Matthias Koehl, self-identified as lieutenant, ANP, Chicago, advised that the ANP in Chicago is to a degree autonomous although it remains subject for final authority on George Lincoln Rockwell and ANP National Headquarters.

On January 15, 1963, William Cody, then a lieutenant, ANP, Chicago, advised that the Chicago headquarters of the ANP controlled the activities of the organization in the States of Illinois, Indiana, Iowa, Michigan, Minnesota and Wisconsin.

A second source advised on February 6, 1963, that as of January 31, 1963, the Chicago unit of the ANP became known as the Midwest Division, ANP.

The first source advised on June 3, 1963, that as of that date the Midwest Division, ANP, vacated their headquarters which they had formerly maintained at 2124 North Damon Avenue, Chicago, Illinois, and henceforth meetings of that organization would be held in the residences of the organization's members.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957 issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that Edward R. Fields, the Information Director of the NSRP, is the individual who "runs the NSRP."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

Qc2 Photocopy of accompanying typewritten poem entitled "GOODBYE"

Kc2 Photographs of Application for Post-Office Box and Change of Address Order bearing hand printing and handwriting of MAYNARD NELSON

Result of examination:

Due to the poor reproduction of line quality on the photocopy, Qc2, a definite conclusion was not reached whether the typewriting on Qc2 was prepared on the typewriter used to prepare K1; however, Qc2 and the typewriting on K1 were prepared on the same style of Royal pica type, spaced ten letters per inch, and some defects in common were noted which indicate that Qc2 could have been prepared on the same typewriter used to prepare K1.

Due to the occurrence of variations which could not be explained on the basis of the known writing available and because of the lack of comparable letter combinations a definite conclusion was not reached whether the handwriting on Qc1 was prepared by the writer of Kc2.

Qc1, Qc2, K1, and Kc2 are returned herewith.

Result of examination:

Due to the lack of comparable script writing in Kc3, a definite conclusion was not reached whether the questioned script writing on the envelope Qc1 was prepared by the writer of Kc3. It is pointed out that most of the writing on Kc3 is hand printing.

Kc3 is retained.

Remylet 5/27/64 and FBI Laboratory report dated 6/16/64.

In referenced FBI Laboratory report it was pointed out that photographs of Qc 1 were made and kept at the Bureau.

EUSTACE MULLINS, Bufile 105-15727, office of origin Richmond, is also a bomb suspect and one who could have written Qc 1, mentioned above. The Chicago Office is enclosing an "Application For Lease" executed and signed by MULLINS. This is the best handwriting specimen in the Chicago Office. Other handwriting specimens from MULLINS have been sent to the Bureau in the past. The Laboratory is requested to compare the handwriting on enclosure and handwriting on other specimens at the Bureau for MULLINS with Qc 1 to determine if Qc 1 could have been executed by MULLINS.

Chicago Office, upon receiving the results of this handwriting comparison, will prepare for the Bureau a letterhead memorandum suitable for dissemination.

MAYNARD ORLANDO NELSEN
SECURITY MATTER - C

On June 16, 1964, the Laboratory, Federal Bureau of Investigation, Washington, D.C., advised that Qc1, a photocopy of an envelope postmarked "CHICAGO, ILL. MAR 28 '64" bearing handwritten address "Chief 'Rat-Fink', Commandant, U.S. Military Hq., Augsburg, Germany," and Qc2, a photocopy of accompanying typewritten poem entitled "GOODBYE" was compared with K1, a typewritten letter bearing signature of Max Nelsen and Kx2, photographs bearing handprinting and handwriting of Maynard Nelsen.

This examination concluded that due to a poor reproduction of the line quality on the photocopy of Qc2, a definite conclusion was not reached whether the typewriting on Qc2 was prepared on the typewriter used to prepare K1; however, Qc2 and the typewriting on K1 were prepared on the same style of Royal pica type, spaced ten letters per inch, and some defects in common were noted which indicate that Qc2 could have been prepared on the same typewriter used to prepare K1.

Due to the occurrence of variations which could not be explained on the basis of the known handwriting available and because of the lack of comparable combinations, a definite conclusion was not reached whether the handwriting on Qc1 was prepared by the writer of Kc2.

On August 14, 1964, the Laboratory, Federal Bureau of Investigation, Washington, D.C., made a comparison of Kc3, a photocopy of an application for lease dated November 11, 1957, bearing known handwriting and handprinting of Eustace C. Mullins, with Qc1 and Qc2, mentioned above. The results of this examination reflect that due to the lack of comparable

script writing in Kc3, a definite conclusion was not reached whether the questioned script writing on the envelope Qc1 was prepared by the writer of Kc3. II

A confidential source advised in April of 1963 that as of November, 1958, Eustace ~~Mullins~~ and Maynard Nelsen established the ~~M & N Associates~~, Post Office Box 1785, Chicago 90, Illinois. M & N Associates is a "paper organization" set up to distribute anti-Semitic and anti-Negro literature. II

member of. In April, 1961, Max ~~Nelsen~~ contacted the Chicago Police Department and identified himself as being employed and residing in the Chicago area, and stated he is affiliated with the ~~National States Rights Party~~, which is headquartered in Birmingham, Alabama. Nelsen added that he handles functional propaganda for the Party. Nelsen stated that he wrote the National States Rights Party program and added that the Party dealt only with legal politics. He stated his main activity with the National States Rights Party is to attack Communism, communist organizations and individuals, especially in the Chicago area. He stated that in this manner he expects to be introduced to the public which will serve his political ambitions culminating in his election as governor of the State of Illinois ten years from now under the National States Rights Party political label.

Confidential sources two, three, and four were contacted on August 24, 24 and 23, 1964, respectively, and advised that they could furnish no information relative to M & N Associates. These sources have known Nelsen to write hate-type literature in the past but had no knowledge that he, Nelsen, typed the letter mentioned above as Qc2 or sent the letter to addressee in Qc1.

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation. It is the property of the Federal Bureau of Investigation and is loaned to your agency; it and its contents are not to be distributed outside your agency.

DEATH!
to the Traitors
It's time for old-fashioned
American Justice

It will drive these traitors from office, and reduce them to a position where suicide will be the only salvation for their crimes against their own people, their own society, and their own Civilization.

It will organize public meetings, publish hard-hitting exposes of the minority diverters and subverters in our midst, issue directives to its members and affiliates with reference to specific issues and problems, and will directly sponsor individual candidates for any and all public offices..

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY will pre-select the candidates for public offices so that the individual voter-member of the Whitefolk majority will be able to make a positive decision at the polls.

It will aim at the complete control of the status-making machinery within our local society.

The Executive Committee will assign a speaker to appear before your group for detailed exposition of our plans and methods, at no obligation, and in complete confidence.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY

Patriotic Political Action

This year must be the year of political counterattack against the insidious forces of diversion and subversion within our midst.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY has been founded to reassert the political functioning of the Whitefolk majority within our United States of America.

Since the turn of the century, our American political scene has been dominated by various factions and self-interested minority pressure groups whose goals have generally not included the promotion of the general welfare and the survival of the Nation.

This has produced an intolerable political situation within, and an impossible foreign posture without, our United States of America.

The fragmentation of our American political life by Trotsky-type politicians of both the Democratic and Republican Parties is directly responsible for the continuing victory of International Communism.

There is only ONE SOLUTION ... rebuild the political organization of the ineffective Whitefolk majority, and concentrate its united will upon the political questions of the day.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY will attack the local Trotsky-type politicians of both the Democratic and Republican Parties. It will conduct a campaign of propaganda and physical terror against the guilty individuals and their associates.

shall work together as a team and be represented by their own members in the Government ... they will subordinate their individual and group interests to the greater interests of their Whitefolk as a whole.

16. The Government shall secure private enterprise by guaranteeing equality of economic opportunity for all citizens of the Nation.
17. We demand a fair price for both producer and consumer, and the safeguarding of both against speculation and profiteering.
18. As science increases the power to produce, we demand that the purchasing power of the consumer be raised proportionately.
19. The Government shall alone exercise its constitutional right to issue debt- and interest-free currency, based on the national production of goods and renderance of services.

Social Policy:

20. The Government shall secure the unending improvement of the health and living conditions of the citizens of the Nation.
21. We demand the total elimination of flood and dust-bowl conditions under a long-range program to conserve, utilize, and develop the water, soil, forest, mineral, and nuclear resources of our North American continent.
22. We demand the development of proper recreational facilities for the Whiteyouth of the Nation, beginning with the establishment of youth centers in every community.
23. We demand the complete reorganization of our educational system, so that every individual citizen of the Nation is afforded full opportunity for self-expression, self-realization, and thorough integration into the life of his Folk Community.

Foreign Policy:

24. We demand that the sovereign interests of our Nation be secured by firm and sound bilateral diplomacy.
25. A strong and effective system of national defense shall be created to meet any international eventuality.
26. We demand the formal incorporation of Canada, Greenland, and the adjacent North Polar Regions into our Nation.

Political Policy:

27. We demand a reorganization of all governmental departments to eliminate duplication, waste, and corruption, and to insure efficiency, economy, and sound administration.
28. We demand the elimination of all ideology and influences from every phase of our political and cultural life which tend to cause the degeneration of our Folk Community.

FOLK INTEREST BEFORE INDIVIDUAL INTEREST

Delineation of the Nation:

1. We demand the union of all Whitemen of the North American continent into a common Folk Community.
2. Only members of our Whitefolk may be citizens of the Nation.
3. No Communist or Liberal may be a citizen of the Nation, because of advocacy of the mongrelization of our Whitefolk.
4. No Humanist or Pacifist may be a citizen of the Nation, because of disloyalty to the Nation.

Folk Policy:

5. The Government shall promote Whitefolk integrity through the complete and officially enforced segregation of all non-Whites in the Nation.
6. We demand that all intermarriage between citizens of the Nation and non-Whites in the Nation be outlawed.
7. We demand the creation of a National Eugenics Commission to secure the ethnic future of our Whitefolk.
8. Immigration shall be restricted to select Whitefolk from lands of ethnic consanguinity.

Civil Rights Policy:

9. All citizens of the Nation shall share equal duties and enjoy equal rights and privileges.
10. The right to vote on the Government and legislation of the Nation shall be the privilege of citizens of the Nation only.
11. Only citizens of the Nation may be candidates for public office, and be employed in departments and agencies of the national and local governments.
12. Only citizens of the Nation may engage in jurisprudence, and be eligible for court and jury duty.
13. Only citizens of the Nation may bear arms and serve as members of the armed forces of the Nation.
14. All persons engaged in activities of entertainment and educational and cultural expression must be citizens of the Nation.

Economic Policy:

15. The workers, farmers, industrial and agricultural technicians, engineers, managers, and businessmen, as citizens of the Nation,

THE WHITEMAN'S REVOLUTION

Little Rock, Arkansas ... Concord
Oxford, Mississippi Bunker Hill

Again, the American Whiteman has asserted himself against a foreign dictatorship whose occupation center is Washington, D.C. This foreign control of our United States of America began in 1933 with the anti-White regime of Franklin D. Roosevelt. Using World War II to consolidate its power, this anti-White group disguised by the term 'liberal' has now over-reached itself, by the passage of the Civil Rights Bill.

This anti-White organization exhibits two faces to the outside world ... the Democratic and Republican Parties. Commissar Eisenhower of the Republican Party used guns and bayonets against the White people of Little Rock, and Commissar Kennedy of the Democratic Party used guns and bayonets against the White people of Oxford. By doing this, the mask of 'liberalism' was removed for the world to see that behind 'democracy' lies the naked power of Jewish Communism ... determined to destroy the Western Civilization of the Whiteman.

This use of naked power against the White people of America is an open admission of defeat by the Soviet-style Supreme Court, and the Federal Judiciary, both controlled by anti-White Jews. This exercise of naked power means that the Federal Government no longer represents the White people of the United States of America. Now, at last, the Federal Government openly admits that it is a foreign occupation dictatorship using armed force to maintain its edicts and directives upon the captive White citizens.

WELTEMAN AWAKE !

THE HOUR IS LATE !

But most people accept as a matter of course the dictates of these politicians, that our Civilization must be destroyed, and that we, as a sort of half-negroids, must sink to a lower form of existence, so represented by the squalid multi-racial nations of Haiti and Brazil. This is called 'the equalization of living standards'.

But there are a small minority of us who are still Whitemen! We are not robots...we have not been affected by the brainwashing in the public schools...and we despise our traitor-politicians! We, a historic few, say to this parliamentary seum ...

WE WILL FIGHT!

We are of the same stock as the legions of Caesar, the Vandals who sacked a degenerate Rome, and the sailors of Sir Francis Drake!

Well we know the role which history has prepared for us.

Although we have been born into a moral and spiritual squalor worse than that of any nation in world history, we arise from this filth to assert ourselves as Whitemen!

Our enemies now are not Indians, disease, or wild beasts ... they are the mass of non-Whites, and by non-Whites we mean all those who think and act as negroids even if they have a white skin.

Nothing can save our Western Civilization except the harshest measures against these non-Whites, by means of propaganda and physical terror.

There can be no mercy for those who have abandoned their own racial identity and traditions through self-corruption and individual greed.

THE INNER ENEMY

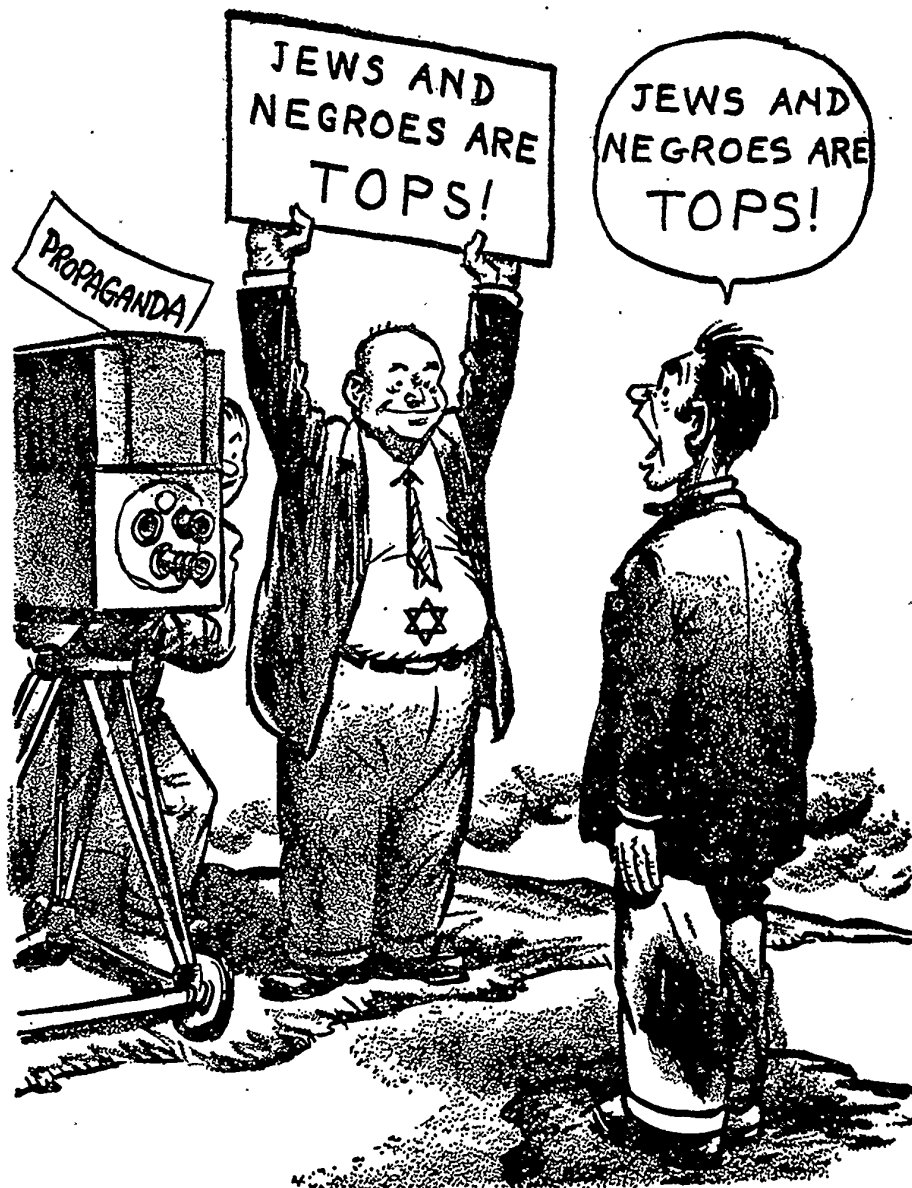

Why does a Whiteman hate his own kind, and why does he wish to destroy his own kind by intermarriage with non-Whites ? The answer lies in our educational system and in our political system, both of which are operated not only for the degradation of the Whiteman, but for the degradation of all races to a subhuman, animalistic level.

Our present-day educational system produces people who are stripped of all race-pride and moral courage, and filled with self-hatred and disgust. A twelve year course of carefully planned and executed brainwashing in the public schools destroys inner pride and self-identity. The products of this process enter into public, adult life as racial zombies, able to fulfill a robot role in a factory or office, but unable to exercise or live up to their duties as Whitemen and Whitewomen to bear the responsibilities of maintaining and furthering Western Civilization.

The most vicious of these robots enter into our political system. They welcome each new act of individual self-degradation as a badge of honor. These parliamentary politicians hate Western Civilization, because this means living up to and maintaining the standards above and beyond individual self-interest and greed.

When these 'democratic' politicians act to tear down the last vestiges of our great Western Civilization, which has been built at such cost by so many generations of Whitefolk, a few of us are incensed and outraged.

Modern "Thinking"

SAM ADAMS -- Patriot

This organization is named for Samuel Adams (1722-1803), American revolutionary patriot and statesman.

Various Committees of Public Safety functioned as executive bodies in the colonies before and during the Revolutionary War.

The decision of the Committee of Public Safety, established by the second Provincial Congress of Massachusetts in February, 1775, to occupy Charlestown and Dorchester Heights, led to the Battle of Bunker Hill.

Sam Adams decisively influenced every important aspect of the pre-revolutionary struggle against Great Britain. In the realm of practical politics, he promoted the formation of the Boston chapter of the Sons of Liberty. He gained a reputation as a literary agitator and revolutionary ideologist. The first pitched battle of the Revolution occurred when British troops, en route to Lexington to arrest Sam Adams, met the armed resistance of the local patriots.

The historian, John Hyde Preston, in his book entitled REVOLUTION 1776 has this to say of Sam Adams: "Samuel Adams has a much clearer claim than George Washington to the title of Father of His Country. Adams was the father, Washington the nurse. Adams conceived the infant, and Washington saved its life."

Preston goes on to say: "Samuel Adams was born with a rebel's soul; he had a genius for rebellion."

Enclosed to Chicago and New York are single copies
of Legat, Bonn, letter 2/3/63 and its enclosure. Enclosed
contain no additional information identifiable with the
subject.

Review of Dallas reveals that Oscar Tyrell Harman
(CG 62-4700, Dallas CG 35230), Paul Anderson (CG 105-10000,
Dallas 105-415051), and Raymond G. Nelson (CG 105-13007,
Dallas 105-351528), are all referred to Chicago Office.
Harman is a Chicago attorney who has reportedly supported
right wing activities in the past. Anderson and Nelson are
well-known radicals who are both of questionable mental stability.
Dallas contain no information concerning these individuals which
is not already known to Chicago.

In view of the background of the individuals involved,
it appears doubtful that they will be able to launch the proposed
organization. In addition, the preliminary proposal for the
organization indicates that the organizers plan to comply with
provisions of the Foreign Agents Registration Act. Therefore,
no extensive investigation appears warranted.

Chicago should review the enclosed material and check
indices and logical sources such as records of interpretation
concerning subject. No other active investigation should be
conducted. Chicago should carefully paraphrase enclosed information

with [redacted] and who it was determined have a closer day to day relationship with [redacted]

b7D

On November 26, 1965, SAs [redacted] and [redacted] conducted a criminal pretext interview of DAVID CAREY at Chicago Help Unlimited, 558 West Madison Street. CAREY was advised that the name of MATT LARSEN had been utilized by an individual who passed several bad checks and who was suspected of being in the Chicago area. CAREY checked the records of his company and was unable to locate any record of LARSEN. CAREY commented, however, that while it was perhaps a mere coincidence, Chicago Help Unlimited, Inc. had purchased some clients from an individual who had used the name of MATT LARSEN. CAREY stated that some time early in 1965, LARSEN, who had operated a labor company at 6 North Des Plaines Street, had flooded the "Skid Row" area with leaflets advertising his agency. CAREY said that it was obvious to anyone in the business that LARSEN could not operate profitably and still pay the wages which he offered according to this leaflet. According to CAREY, LARSEN went out of business soon thereafter, and this company had obtained some of the clients of that company. He said that they also had the telephone number formerly utilized by that company which was listed in the name of Labor Service Company. CAREY had no idea as to the current location of the individual known as MATT LARSEN.

b6
b7C

The current Chicago telephone directory lists the Labor Service Company at 6 North Des Plaines Street, with telephone number 782-6341. A pretext call to that company determined that it was answered "Chicago Help Unlimited." As a means toward resolving this case, it was deemed advisable to ascertain the identity of the prior owner of the Labor Service Company, 6 North Des Plaines, since that individual undoubtedly either is identical with MATT LARSEN or could be in a position to furnish information regarding LARSEN.

~~CONFIDENTIAL~~

CG 65-4880

On November 29, 1965, SAs [] and [] observed that the address, 6 North Des Plaines, is another of the many "day labor" offices located in the "Skid Row" area and was labeled as Leased Personnel, Inc. In furtherance of the original intent stated above, the present owner of the business at 6 North Des Plaines, who identified himself as MAYNARD NELSEN, was interviewed under a criminal pretext which was an attempt to locate a check passer whose true name was MATTHEW or MATT LISCO and which individual had used the name of MATT LARSON as one of his many aliases. At the same time a photograph was shown to NELSEN. While NELSEN appeared to take a defensive attitude at the outset of the interview, he volunteered his complete cooperation when he determined that the Agents were attempting to locate a criminal fugitive. NELSEN identified the photograph which was exhibited to him as resembling an individual known as RICHARD MARTIN, who had frequently worked for his agency and who on many occasions had been sent to work as a truck driver for Mr. VITO at the Arthur Johnson Company, 320 North Green, Chicago, Illinois. During the course of the interview, NELSEN was asked whether he had been acquainted with the prior occupants of 6 North Des Plaines, since the person sought had utilized this address prior to early 1965 when NELSEN claimed to have started his business. NELSEN obviously did not desire to discuss the prior owner of the business and since he had made what appeared to be a partial identification of the individual sought it was felt that the nature of the pretext did not permit further questioning regarding prior ownership.

The files of the Chicago Division reflect that MAYNARD ORLANDO NELSEN is a psychotic individual and a potential bombing suspect of the Chicago Division and is the subject of a current investigation. NELSEN was most recently reported to the Bureau as the subject of an investigation entitled "MAYNARD ORLANDO NELSEN, Aka; The Sam Adams Committee of Public Safety, Chicago, Illinois, Attorney General NICHOLAS DEB KATZENBACH - VICTIM; ET AL; EXTORTION," Bufile 9-3689. When interviewed in connection with that investigation, NELSEN described himself as an intellectual Nazi genius who has worked for Nazism for the past twenty years. It is also recorded that MAYNARD ORLANDO

CG 65-4880

NELSEN was born January 1, 1924; at Minneapolis, Hennepin County, Minnesota, and that as of March 10, 1964, NELSEN operated a company known as the United Labor Service, Inc. with offices at 360 North Clark Street, and 603 West Madison Street, Chicago, Illinois.

In view of the tentative identification of NELSEN as the subject of this investigation it was felt essential that the pretext which had been utilized in the interview of NELSEN should be carried through by interviewing Mr. VITO at the Arthur Johnson Company regarding the individual RICHARD MARTIN.

On November 30, 1965, Mr. VITO PELUSO, Foreman, Arthur Johnson Company, was interviewed under the identical pretext with the added information that RICHARD MARTIN had been sent to the Johnson Company by Leased Personnel, Inc. The photograph was shown to PELUSO and based on the information furnished by him RICHARD MARTIN was positively eliminated as being identical with the fictitious subject. The one significant bit of information volunteered by Mr. PELUSO during this interview was that he knew the owner of Leased Personnel, Inc. only as MATT (LNU).

As a result of the foregoing investigation, the following common factors relating to NELSEN and the subject of this investigation, a MATT LARSEN, have been noted:

In applying for the MATT LARSEN documentation on June 19, 1964, subject advised his date and place of birth were January 1, 1924, Minneapolis, Hennepin County, Minnesota. He also listed his current address at that time as Post Office Box 9097, Chicago 90, Illinois. This post office box was subsequently determined to have been issued to the Chicago Labor Service, 603 West Madison Street, Chicago, Illinois. It is noted that NELSEN formerly operated his labor service company also at 603 West Madison Street. Also as noted above, VITO PELUSO identified the owner of Leased Personnel as an individual known as MATT. It is also felt significant that the use of the ending "sen" is utilized in the spelling of both names, LARSEN and NELSEN.

~~CONFIDENTIAL~~

CG 65-4880

Considering the foregoing common factors with the known psychotic condition and pasted activities of NELSEN, Chicago feels there is sufficient information to force the conclusion that NELSEN is identical with the individual who applied for the documentation as MATT LARSEN. Therefore and since the legitimacy of this individual has been determined, no further investigation is being recommended and this case is being closed.
